12	(2) 2000 Te Mata Coleraine, Hawkes Bay (2) 2000 Te Mata Coleraine, Hawkes Bay RP91Medium to dark ruby-colored, the highly impressive, concentrated 2000 Cabernet – Merlot Coleraine reveals aromas of candied blackberries, lead pencil, mocha, and juniper berries. A muscular, licorice and tar-laced medium to full-bodied wine, it is big, bold, and flavorful. Its formidably long finish reveals additional layers of fruit as well as copious quantities of ripe tannin. This flamboyant yet structured wine should be consumed between 2006 and 2016. RPStored in a cool, dark place Est. 100 - 150

16	(6) 2004 Te Mata Coleraine, Hawkes Bay (6) 2004 Te Mata Coleraine, Hawkes Bay (OWC) RP95This is much deeper in colour than the 2003. The nose is divine: captivating and complex with scents of cherry, wild strawberry, heather, a touch of musk and dried orange peel. Mercurial: one of those wines where you have to keep dipping your nose into the glass to witness its change. The palate is medium-bodied with an ethereal balance, perfect acidity and complete harmony. Cherry, wild strawberry, dried apricot and a touch of leather on the finish. Very long. Exceptional. Tasted January 2008. RPStored in a cool, dark place Est. 100 - 150
17	(3) 2006 Te Mata Coleraine, Hawkes Bay (3) 2006 Te Mata Coleraine, Hawkes Bay (IN) RP94The magnificent 2006 Coleraine (43% Cabernet Sauvignon, 8% Cabernet Franc and 43% Merlot) is blessed with a complex nose of macerated cherries, wild strawberry with touches of hung game and leather developing with aeration, the palate full-bodied with an irresistible cashmere texture, a wine that will age effortlessly over 10-15 years. RPStored in a cool, dark place Est. 100 - 150

19	(1) 2004 Pegasus Bay Prima Donna Pinot Noir, Waipara (1) 2004 Pegasus Bay Prima Donna Pinot Noir, Waipara BC95Stored in a cool, dark place Est. 70 - 90
20	(3) 2005 Te Mata Coleraine, Hawkes Bay (3) 2005 Te Mata Coleraine, Hawkes Bay (IN) RP93Deep garnet colored with a touch of brick, the 2005 Coleraine Cabernet / Merlot has notes of ripe cassis / black currant cordial, fruit cake, leather, sandalwood, fenugreek and Provence herbs with touches of menthol and mulberries. Ripe and rich with firm tannins and a good amount of fruit, it has crisp acidity and a long finish with some savory chocolate coming through. Delicious now, it should continue to drink to 2017+. RPStored in a cool, dark place Est. 100 - 150
21	(3) 1998 Te Mata Coleraine, Hawkes Bay (3) 1998 Te Mata Coleraine, Hawkes Bay RP91A blend of 60% Cabernet, 32% Merlot and 8% Cabernet Franc. A deep garnet core with marginal aging on the rim. The nose is completely different to the Coleraine 1995: much more vigour and freshness. Very pure, beautifully defined bouquet of damson, wild hedgerow, mint and a Margaux-like floral scent of violets. Much more feminine than the 1991 or the 1995. The palate is medium-bodied, very well balanced, natural with fine acidity. Silky tannin, elegant with sour cherry, a touch of pomegranate, leather and a touch of brett towards the finish? It has great succulence than older vintages but is still very refined and certainly has many years ahead of it. Tasted January 2008. RPStored in a cool, dark place Est. 150 - 200
22	(3) 1995 Te Mata Coleraine, Hawkes Bay (3) 1995 Te Mata Coleraine, Hawkes Bay (TSL) RP92A blend of 59% Cabernet, 34% Merlot and 7% Cabernet Franc. A deep garnet core with a dark brick rim. The nose is more focused but has more vigour and lift than the 1991 with bright red-berried fruit. Wild mint develops with aeration, dried blood, a touch of dried leaves and just a hint of capsicum. The palate is medium-bodied, very well-balanced, cohesive with dense, slightly chewy tannins. Good grip. Notes of mocha, leather, a touch of chestnut and dark chocolate. Very elegant. A lovely dry, savoury finish that begs another sip. Excellent. Tasted May 2008. RP Est. 100 - 150
23	(1) 1997 Te Mata Coleraine, Hawkes Bay (1) 1997 Te Mata Coleraine, Hawkes Bay (TSL) Est. 100 - 150
24	(1) 2000 Te Mata Coleraine, Hawkes Bay (1) 2000 Te Mata Coleraine, Hawkes Bay RP91Medium to dark ruby-colored, the highly impressive, concentrated 2000 Cabernet – Merlot Coleraine reveals aromas of candied blackberries, lead pencil, mocha, and juniper berries. RP Est. 100 - 150
25	(1) 2001 Te Mata Coleraine, Hawkes Bay (1) 2001 Te Mata Coleraine, Hawkes Bay Est. 100 - 150
26	(2) 2002 Te Mata Coleraine, Hawkes Bay (2) 2002 Te Mata Coleraine, Hawkes Bay RP92The highest percentage of Cabernet Franc in Coleraine at 36%. A dark garnet core with youthful rim. The leafy nose is very tight but with great delineation, blackberry, black tea, tar and leather – very intense and exuberant. The palate is medium-bodied, supremely well balanced with superb acidity, a natural elegance and charm. Tobacco, damson, boysenberry with a touch of graphite with great tension on the off-dry finish. This is a top-notch Coleraine with a great future. Tasted May 2008. RP Est. 100 - 150
27	(2) 2004 Te Mata Coleraine, Hawkes Bay (2) 2004 Te Mata Coleraine, Hawkes Bay (IN) RP95This is much deeper in colour than the 2003. The nose is divine: captivating and complex with scents of cherry, wild strawberry, heather, a touch of musk and dried orange peel. Lot	Title/Description
28	(1) 2005 Te Mata Coleraine, Hawkes Bay (1) 2005 Te Mata Coleraine, Hawkes Bay (TL) (IN) RP93The exquisite 2005 Coleraine (37% Cabernet Sauvignon, 18% Cabernet Franc and 45% Merlot) exhibits a more straightforward bouquet than the 2004, but more floral with violets and a touch of rose petals inflecting the bouquet of dark cherry, strawberry and spice. The palate is very well-balanced, perhaps a little more weighty than the 2004, perhaps prettier and more feminine with more floral overtones. Very elegant, with silky, filigree tannins and a sensuous, almost understated finish with supreme delineation and natural balance. A really beautiful wine to savor over the next decade. Both wines confirm Coleraine's reputation as New Zealand's benchmark Bordeaux-blend wine and in terms of quality, I would have no hesitation placing it within the class of Bordeaux Second Growths. RP Est. 100 - 150
29	(2) 2006 Te Mata Coleraine, Hawkes Bay (2) 2006 Te Mata Coleraine, Hawkes Bay (IN) RP94The magnificent 2006 Coleraine (43% Cabernet Sauvignon, 8% Cabernet Franc and 43% Merlot) is blessed with a complex nose of macerated cherries, wild strawberry with touches of hung game and leather developing with aeration, the palate full-bodied with an irresistible cashmere texture, a wine that will age effortlessly over 10-15 years. RP Est. 100 - 150
30	(2) 2007 Te Mata Coleraine, Hawkes Bay (2) 2007 Te Mata Coleraine, Hawkes Bay RP95The 2007 Coleraine (52% Cabernet Sauvignon, 14% Cabernet Franc and 34% Merlot) had been recently bottled, it is no wonder the nose is rather sulky, but there is patently a lot of intense cedar-infused Cabernet fruit in this Coleraine. The palate is full-bodied with fully ripe tannins, good grip, cedar, blackberry, pain grille, sous-bois coming through. Great persistency towards the viscous finish. Superb. RP Est. 100 - 150
31	(2) 2000 Te Mata Awatea, Hawkes Bay (2) 2000 Te Mata Awatea, Hawkes Bay Est. 40 - 50
32	(1) 2001 Te Mata Awatea, Hawkes Bay (1) 2001 Te Mata Awatea, Hawkes Bay (FL) Est. 40 - 50
33	(1) 2002 Te Mata Awatea, Hawkes Bay (1) 2002 Te Mata Awatea, Hawkes BayThe 2002 Cabernet–Merlot Awatea was excellent. A blend of 37% Cabernet Sauvignon, 36% Merlot, 17% Cabernet Franc, as well as 10% Petit Verdot, it displays a nose of herb-laced cassis and blackberries. Armed with excellent depth, concentration, and extract, this long, pure, powerful effort coats the taster's palate with herbs, blueberries and asphalt. Projected maturity: 2006-2015. RP Est. 40 - 50
34	(1) 2003 Te Mata Awatea, Hawkes Bay (1) 2003 Te Mata Awatea, Hawkes Bay (IN) Est. 40 - 50
35	(3) 2004 Te Mata Awatea, Hawkes Bay (3) 2004 Te Mata Awatea, Hawkes Bay (FL) Est. 40 - 50
36	(1) 2005 Te Mata Awatea, Hawkes Bay (1) 2005 Te Mata Awatea, Hawkes Bay RP92Deep garnet colored with a touch of brick, the 2005 Awatea Cabernet / Merlot offers an earthy / gamey nose with some cardamom, clove and black olives plus touches of leather, sandalwood and spice box over a core of black cherry and warm cassis. Medium-full bodied with just enough flesh, it has ample chewy tannins, refreshing acid and a long finish. Drink it now to 2015+. RP Est. 40 - 50
37	(1) 2006 Te Mata Awatea, Hawkes Bay (1) 2006 Te Mata Awatea, Hawkes Bay RP90The 2006 Awatea Cabernet/Merlot is a blend of 36% Cabernet Sauvignon, 15% Cabernet Franc, 38% Merlot and 11% Petit Verdot and is adorned with a complex nose that upon first acquaintance would seem to have more Cabernet due to the cedar and sous-bois characteristics. With further aeration there are touches of mint developing in the glass. The palate is medium-bodied, nicely balanced, but perhaps it could do with a little more structure? Very clean fruit though: blackberry, cedar, sous-bois, a touch of chestnut and spice towards the velvety finish. Very seductive. RP Est. 40 - 50

Lot	Title/Description
38	(2) 2007 Te Mata Awatea, Hawkes Bay (2) 2007 Te Mata Awatea, Hawkes Bay (SOL) RP93The outstanding 2007 Awatea Cabernet/Merlot is a blend of 40% Cabernet Sauvignon, 17% Cabernet Franc, 38% Merlot and 5% Petit Verdot. This has a similar nose to the 2006, but that increase of Cabernet(s) imbues the bouquet with a little more reserve and definition with notes of ripe blackberry, cedar and a touch of mulberry. The palate is very well balanced, good acidity, off-dry, very elegant tannins with great poise on the boysenberry/white pepper tinged finish. This is a great Awatea. RP Est. 40 - 50

49	(3) 2009 Kidnappers Cliffs Syrah, Hawkes Bay (3) 2009 Kidnappers Cliffs Syrah, Hawkes Bay BC96Sirene clone rescued by Alan Limmer when the government research centre was going to rip out its Syrah vines. He then planted these vines at his Stonecroft property in Hawke's Bay in 1984. The vines are thought to trace their origins back to cuttings taken from France to Sydney by Busby in the 1830s. 15-16 months in barrel on light lees with no SO2. Vibrant inky crimson, black core. Very fragrant, lightly peppery and even a little herbaceous though fully ripe. Lots of white pepper. Bright dark fruit. Paper-fine tannins, slub silk texture, fine boned, structured but delicate. Scented, almost floral, mid palate. Juicy but with an elegant density. Great length. Julia Harding MWPurpose built, temperature-controlled cellar. Est. 60 - 80

87	(1) 1999 Ata Rangi Pinot Noir, Martinborough (1) 1999 Ata Rangi Pinot Noir, Martinborough JR17.5/20'Quality not quantity' best describes this season. The cool, windy spring meant very low crops (1-2 tonnes/acre) and the ideal warm, dry summer conditions produced grapes with intense flavour. 1999 marked a noticeable step up in wine quality. By then we had better equipment and a far better feel for appropriate tank times and winemaking techniques - and therefore more confidence to extend the length of the pre-ferment maceration. The wines were also getting older and more in balance. This wine won the UK International Wine and Spirit Competition Pinot Noir Trophy in 2001, making a hat-trick of IWC Trophies (1993, 1994, 1999 vintages) which helped to establish our global cred. GDD 1,150. More bricky than the 1998. Distinctively smoky on the nose. A little bit stemmy/savoury (though no whole-bunch in this vintage). Silky sweetness of red fruit on the palate, tomato too. So lively and fresh and youthful in the mouth. Still some tannin felt on the aftertaste. Long and bright, the fruit clearly ripe, the savoury quality probably due to longer maceration. Julia Harding MWStored in a cool, dark place. Est. 70 - 90

Some whole bunches in this vintage. Again, darker and spicier and less openly aromatic than the straight Pinot, especially now in youth. Has red fruit on the mid palate. Savoury oak spice. Dense but very fine tannins. Lots of spice. Tight and mineral on the finish. Very firm. Julia Harding MWPurpose built, temperature-controlled cellar. Est. 100 - 130

The 2013 The Fuder Clayvin Chardonnay has a very pretty nose, yielding apricots, acacia honey, orange blossoms and a touch of cedar with some notable sulfides/struck match and baker's yeast hints. The medium-bodied palate offers wonderful intensity with a crisp backbone cutting though the concentrated stone fruit and savory flavors, finishing long. Delicious now, it offers great medium-term (5-6 years) aging potential. RPPurpose built, temperature-controlled cellar. Est. 50 - 70

201	(1) 2004 Penfolds Grange Bin 95, South Australia (1) 2004 Penfolds Grange Bin 95, South Australia (IN) RP99The 2004 vintage was outstanding in Barossa, McLaren Vale, and Magill, the regions where the grapes were sourced for the marvelous 2004 Grange. It contains 4% Cabernet Sauvignon and was aged for 16 months in 100% new American oak hogsheads. A glass-coating opaque purple color, it displays a superb nose of wood smoke, Asian spices, incense, game, blueberry, and blackberry liqueur. Medium to full-bodied, satin textured, with deeply layered, succulent blackberry, plum, and chocolate flavors, it has the structure and complexity to merit extended cellaring of a decade and more. The winery estimates a drinking curve of 2016 to 2050; I'd be a bit more conservative on the long end of the range. It will ultimately be seen as one of the great vintages of Grange. RP Est. 450 - 550
202	(1) 1980 Penfolds Grange Bin 95, South Australia (1) 1980 Penfolds Grange Bin 95, South Australia (IN) (TL) RP94+The least impressive, but still a very great wine, is the dark garnet-hued 1980. Still a young wine at age 29, it exhibits massive earthy, meaty, bacon fat notes intermixed with notions of scorched earth, blackberries, currants, pepper, and spice. Full and rich with slightly rustic tannins, it has a good 20 years of life ahead of it. RPStored in a cool, dark place Est. 450 - 550
203	(1) 1994 Henschke Hill of Grace, Eden Valley (1) 1994 Henschke Hill of Grace, Eden Valley (GB) (IN) RP98Deep brick-colored, the 1994 Hill of Grace offers notes of stewed plums, dried berries and baking spices with nuances of aniseed, vanilla and potpourri. Medium to full-bodied, it has great concentration and structure in the mouth, with crisp acid plus firm, grainy tannins, and is packed with layered, dried berry and spice flavors before finishing long with tons of remaining fruit. This wine still has many years to go. Drink it now to 2030+. RPStored in a cool, dark place Est. 600 - 800
204	(6) 2013 Penfolds RWT Shiraz, Barossa SA (6) 2013 Penfolds RWT Shiraz, Barossa SA (OWC) RP95Deep garnet-purple colored, the 2013 Shiraz RWT Barossa Valley has a youthfully mute blackberries and black cherries-scented nose with hints of cedar, toast, cracked pepper and Provence herbs. While the oak is still standing out slightly in the mouth, this is backed up by tons of rich, seductive, mouth-coating fruit and firm, rounded tannins, with just enough acid in the very long finish. This is a truly great RWT! RPPurpose built ambient cellar. Est. 130 - 160
205	(6) 2012 Penfolds St Henri, South Australia (6) 2012 Penfolds St Henri, South Australia (OWC) RP96+The 2012 Shiraz St Henri is very impressive with its elegant, sophisticated and well-crafted expression of this superb vintage. As always, there is no new oak employed here, simply 50+ year old large oak vats. This vintage has a dollop (3%) Cabernet Sauvignon, contributing a lovely cassis lift to the heady perfume. Deep garnet-purple colored, it displays a gorgeous nose of commendable purity and intensity with notes of red and blackcurrants, freshly crushed blackberries, menthol, cinnamon stick, bacon fat and cloves. Rich and already expressive on the palate, it is nonetheless built for the long haul with firm, ripe and grainy tannins carrying the fruit to a long and layered finish. This should be a long-lived St Henri that should cellar gracefully for at least 2 decades. RPPurpose built ambient cellar. Est. 100 - 130
206	(6) 2006 Penfolds Grange Bin 95, South Australia (6) 2006 Penfolds Grange Bin 95, South Australia (OWC) RP98+Made from fruit coming predominantly from the Barossa Valley this year (97%) and containing 2% Cabernet Sauvignon, the 2006 Grange has been added to my list of favorite recent vintages. Deep garnet-purple colored, it's still a little youthfully mute, offering notes of warm cherries, black currants, anise, coffee and toast with underlying hints of soy, yeast extract, black olives and Indian spices. Tight-knit and solidly structured on the medium to full bodied palate, the concentrated fruit is densely coiled around the firm grainy tannins and very crisp acidity at this stage, but promises something very special in the years to come. It finishes very long, complex and layered with the cedar poking through the fruit purity. Patience is required for this vintage; it should begin opening out around 2016 and drink to 2030+. RPPurpose built ambient cellar. Est. 450 - 550

207	(6) 2008 Penfolds Grange Bin 95, South Australia (6) 2008 Penfolds Grange Bin 95, South Australia (OWC) RP100Very deep garnet-purple in color the 2008 Grange reveals a truly decadent nose with tons of spices, fruit cake and black & blue fruit compote notes along with nuances of chocolate and potpourri. The full and rich, multi-layered palate has a little oak still showing, it is going through a little bit of a structural stand-out stage, but it doesn't detract on the long and complex finish. It still needs a good few years to develop, though this very opulent, expressive Grange shows the very best of this vintage and the vineyards it hails from. RPPurpose built ambient cellar. 286	(1) 2007 Penfolds St Henri Shiraz, South Australia (1) 2007 Penfolds St Henri Shiraz, South Australia RP93Very deep garnet-purple colored, the 2007 St Henri Shiraz is a little closed at this stage, revealing subtle earthy notes over crushed blackberries, pencil lead, toast, game, smoky bacon and tree bark. Medium bodied, elegantly fruited and still very tight-knit, the palate offers beautiful purity structured with firm chewy tannins and very crisp acid that should see it through a long life. Consider drinking it 2013 to 2022+. RPPurpose built, temperature-controlled cellar. Est. 110 - 140

There is a lot going on the palate, with plenty of savory and meaty flavors to fill the mouth. It is structured by a medium-firm level of chewy tannins and bright acid before finishing long, with a pleasant herbal lift. It is mature. RPPurpose built, temperature-controlled cellar. 292	(1) 1976 Penfolds Grange Bin 95, South Australia (1) 1976 Penfolds Grange Bin 95, South Australia (MS) (SOL) RP100Consistently one of the most awesome wines ever made at Grange, this blend of 89% Shiraz and 11% Cabernet Sauvignon (13.9% alcohol) was the first Australian wine to cost 20 upon release. I have had this wine six separate times, every time rating it between 96 and 100. It had a phenomenal showing at Penfolds' Magill estate. The color is an opaque purple, the wine massive, full-bodied, and to me, the quintessential Grange. Notes of blackberry liqueur intermixed with cassis, charcoal, new saddle leather, and underbrush resonate from the glass. Huge, thick, unctuously textured, with extraordinary concentration but perfect harmony among all of its elements, this is a prodigious Grange that is still not fully mature. Anticipated maturity: 2004-2020. A legend for sure! RPThis wine shows signs of evaporation through the capsule. Est. 1,100 - 1,300

319	(1) 2004 Paul Hobbs Beckstoffer to Kalon Vineyard Cabernet Sauvignon, Napa USA (1) 2004 Paul Hobbs Beckstoffer to Kalon Vineyard Cabernet Sauvignon, Napa USA RP99Hobbs was one of the first to recognize the brilliance of Oakville's Beckstoffer To-Kalon Vineyard, and he has produced several wines that were either perfect, or pushing perfection. This 2004 Cabernet Sauvignon Beckstoffer To-Kalon Vineyard reveals that haunting, almost indescribable bouquet of red and black fruits, spring flowers, and subtle hint of lead pencil shavings that aromatically blows away the taster. If one could have a 100-point bouquet, this is it. Moreover, the flavors don't let the taster down. Nearly as powerful and rich as the 2002, this full-bodied 2004 is a glorious, classic Napa Cabernet Sauvignon that has been flawlessly vinified. The enormity of the mid-palate, texture and skyscraper-like mouthfeel with no heaviness result in a prodigious effort that is one of the top four or five wines of the vintage. This spectacular wine can be drunk now or cellared for another two decades. One of the most successful, accomplished and irrepressible personalities of Northern California is globe-trotting wine consultant Paul Hobbs. His home base is in the Russian River sector of California, but his talents are such that he can go into Napa and turn out spectacular Cabernet Sauvignons from a multitude of sources. Cherry jam and grapefruit marmalade, mango and peach preserves, as well as floral and herbal distillates are suggested by the intensely ester-rich aroma. White raisin mingles with the confectionary fruit elements on the palate, which on the one hand displays remarkable density and considerable sheer viscosity; but on the other hand is supremely elegant and buoyant, traits perfectly reflected in its wafting length. 334	(1) 2005 Gaja Costa Russi, Piedmont (1) 2005 Gaja Costa Russi, Piedmont RP96The 2005 Costa Russi shimmers on the palate with extraordinary grace. The wine boasts wonderful depth and richness in its dark red fruit in a round, generous style that offers lovely balance to the tannins. Notes of tar, smoke and licorice develop in the glass, adding a touch of complexity and nuance that is sometimes missing in this bottling. The French oak is present, but deftly balanced with the wine's other components. As always, Costa Russi comes across as relatively accessible when young, but it is sure to only improve with age. Recent bottles of the 1985 have been nothing short of glorious. Anticipated maturity: 2015-2030. RPPurpose built, temperature-controlled cellar. Est. 400 - 600

337	(1) 1990 Tenuta San Guido Sassicaia, Bolgheri (1) 1990 Tenuta San Guido Sassicaia, Bolgheri (IN) WS93A sexy wine that has gained somewhat since 1993 when we rated it 90 points. Not as powerful as the '88, nor as rich as the '85, this is still prototypical Sassicaia for its great complexity. Offers mineral, lead pencil, tar, cassis and black olive notes, solid backbone and firm, elegant finish.--Sassicaia vertical. 10,000 cases made. WSPurpose built ambient cellar. Est. 500 - 650

338	(1) 1998 Gaja Costa Russi Barbaresco, Piedmont (1) 1998 Gaja Costa Russi Barbaresco, Piedmont (IN) RP92The dark ruby/purple-colored, supple-texture 1998 Costa Russi possesses sweet, jammy raspberry and cherry fruit, medium to full body, gorgeous glycerin, low acidity, and a lightly tannic finish. Although large-sized, it has good finesse as well as beautifully pure fruit. Anticipated maturity: 2003-2020. RPPurpose built, temperature-controlled cellar. Est. 400 - 500
339	(1) 1997 Gaja Sori San Lorenzo Barbaresco, Piedmont (1) 1997 Gaja Sori San Lorenzo Barbaresco, Piedmont (IN) RP98Profound, the 1997 Sori San Lorenzo is an elegant, nuanced, and complex Gaja offering. It exhibits a striking perfume of lead pencil, roasted nuts, black fruits, spice box, leather, cedar, and Chinese black tea. Forward yet enormously constituted and rich, with an ethereal elegance underpinning its personality, the Sori Lorenzo displays a classic combination of power and finesse. Sadly, there are only 10,000 bottles. As this wine sat in the glass, notes of Japanese soy sauce made an appearance. Anticipated maturity: 2002-2030. RPPurpose built, temperature-controlled cellar. Delicate and ethereal, this beautifully-aged Amarone offers aromas of dried cherry, cedarwood, bruised apple, pressed violets, spice, used leather and campfire smoke. It's a highly perfumed and intense wine with power and grace to match, especially on the finish. Drink 2015-2025. RPPurpose built temperature-controlled cellar. Est. 140 - 180

352	(3) 2007 Clos des Pape Chateaufneuf du Pape (3) 2007 Clos des Papes Chateaufneuf du Pape, Rhone RP100One of the great vintages from this estate, surpassing even the 1990, 2000, 2001, 2003, and maybe the 2010 (time will tell with this one), the 2007 Chateaufneuf du Pape from Vincent Avril delivers everything you could want from a wine. Full-bodied, intense and beautifully concentrated, with plenty of muscle and depth, it shows the hallmark elegance and purity of the estate, with sensational notes of kirsch liqueur, raspberries, incense, smoked meats and Asian spices. The blend is the normal 65% Grenache, 20% Mourvedre, 10% Syrah and the rest a mix of permitted varieties, brought up all in older foudre, and it's just now entering its prime drink window and has another two decades of longevity. 356	(1) 1989 Chateau Rayas Chateaufneuf du Pape, Rhone (1) 1989 Chateau Rayas Chateaufneuf du Pape, Rhone (IN) RP97A wine that continues to catch up to the 1990 (and probably has greater longevity) is the 1989. A dense-colored Rayas, but not as thick-looking as the 1990, this dark ruby-colored wine exhibits plenty of roasted herb notes intermixed with scents of tobacco, sweet creme de cassis, and kirsch. Full-bodied, highly-extracted, powerful, and tannic (resembling 1995 more than 1990), it is shedding its cloak of tannin and beginning to approach full maturity. RPPurpose built, temperature-controlled cellar. Est. 1,100 - 1,300
358	(2) 1990 Chateau de Beaucastel Chateaufneuf du Pape Hommage Jacques Perrin, Rhone (2) 1990 Chateau de Beaucastel Chateaufneuf du Pape Hommage Jacques Perrin, Rhone (TS) RP100About as sexy as this cuvee gets, the 1990 Chateaufneuf du Pape Hommage Jacques Perrin (60% Mourvedre, 20% Grenache, and the rest Syrah and Counoise) is spectacular. Similar in style to the 2000, it comes from a hot, dry vintage (and a big crop) that resulted in perfect ripeness and low acidity in most of the varieties. Full-bodied, supple, seamless and silky, with sweet tannin, it has awesome aromatics of kirsch liqueur, currants, Provencal herbs, meat juice and exotic spices all literally soaring from the glass. At maturity and drinking brilliantly, it should hold nicely for another decade easily, and have a gradual decline after that. RPPurpose built, temperature-controlled cellar. Est. 1,000 - 1,400

The 2010 Vosne-Romanee 1er Cru Aux Reignots is a magnificent follow-up to the 2009 with very precise blackberry and briary scents, a hint of dried violet petals developing with aeration. The palate is medium-bodied with fine, supple tannins and a clinical seam of acidity that delivers a sense of symmetry. It is not quite touching the 2005 in terms of quality but it comes damn close thanks to its marvelous freshness. Tasted June 2015.RPPurpose built ambient cellar. Est. 2,300 - 2,600

368	(2) 2006 Chateau Doisy Daene, Sauternes (2) 2006 Chateau Doisy Daene, Sauternes RP93The flagship sweet wine of Professor Denis Dubourdieu, this is a beautifully made wine and one of the best I have tasted from the chateau. The wine, which is usually about 70% Semillon, 20% Sauvignon, and the rest Muscadelle, exhibits a bold, opulent style with gobs of fruit, some honeyed peach, apricot, and pineapple notes, an elegant yet substantial mouthfeel, and superb purity backed up the zesty acidity, giving the wine a laser-like focus. It is moderately sweet and by no means cloying at all. This is a gorgeous wine, probably not among the longest-lived of the vintage, but it has at least 20 years left in it. 390	(2) 2006 Chateau Grand-Puy-Lacoste, Pauillac (2) 2006 Chateau Grand-Puy-Lacoste, Pauillac RP94Tasted at Bordeaux Index's annual 10-Year On tasting in London. I raved about the 2006 Chateau Grand Puy-Lacoste when I tasted it from barrel ten years ago. It has evolved a really quite beautiful, very classic Pauillac bouquet with vivacious blackberry, raspberry and wild mint aromas that deftly absorb the oak. The palate is medium-bodied with fine tannin, perhaps a more forward than other vintages, but there is genuine fineness to the tannin and that backward finish has great precision. There is the substance to suggest that it will be a long-term Left Bank and you could probably broach it after another 3-4 years. Tasted January 2016. RPPurpose built ambient cellar. Est. 100 - 130

This concentrated, dense, but nevertheless strikingly elegant, multi-layered wine has a finish of 45+ seconds. It builds incrementally to a crescendo and finale. 394	(1) 1982 Chateau Canon, St Emilion (1) 1982 Chateau Canon, St Emilion (IN) RP94A consistently spectacular 1982, this wine provided sumptuous drinking the first 5-6 years after bottling. Since the late eighties the wine has become more structured without losing any of its power, fat, or concentration. It is capable of lasting at least another decade, although I will not quibble with any readers who can no longer defer their gratification. The dense color reveals no amber. Young, primary aromas of black fruits, toasty oak, crushed stones, and flowers dominate the wine's moderately intense nose. Thick, rich, full-bodied, and multi-dimensional, this is unquestionably the most concentrated Canon I have ever tasted. This large-scaled, super-rich, sweet wine is one of the rare Canons that possesses more depth of fruit than tannin. Drink it over the next 10-15 years. Anticipated maturity: Now-2018. 397	(1) 2006 Chateau Haut Brion, Pessac Leognan (1) 2006 Chateau Haut Brion, Pessac Leognan RP96Tasted at Bordeaux Index's annual 10-Year On tasting in London. The 2006 Chateau Haut-Brion has a more ostentatious bouquet than the comparatively reserved La Mission: quite feisty blackberry, briary, kirsch and red plum scents, hints of leather and sage tucked just underneath. This is a bouquet determined to make an impression! The palate is medium-bodied with supple tannin, well-judged acidity, a gentle build to a concentrated, earthy, truffle-tinged finish that lingers long in the mouth. This seems to have the upper-hand over the La Mission and probably has a longer future. A thoroughbred from Jean-Philippe Delmas and his team. Tasted January 2016. The wood is already totally concealed beneath the cascade of fruit in this medium to full-bodied, pure and majestic wine. This concentrated, dense, but nevertheless strikingly elegant, multi-layered wine has a finish of 45+ seconds. It builds incrementally to a crescendo and finale. This is a stunner that can be approached already, but promises to be better in another 5-10 years and last at least 25 or more years. RPPurpose built, temperature-controlled cellar. Est. 1,300 - 1,800

400	(1) 2000 Chateau Lafite Rothschild, Pauillac (1) 2000 Chateau Lafite Rothschild, Pauillac RP98+Since I gave this wine a perfect score, I suppose some could see this as a downgrade. I found everything still there for a perfect rating, but I was just struck by how tight and backward the wine was. A blend of 93.3% Cabernet Sauvignon and the rest Merlot, the wine still has a dark ruby/purple color and an extraordinarily youthful nose of graphite, black currants, sweet, unsmoked cigar tobacco, and flowers. The wine is rich, medium to full-bodied, but has that ethereal elegance and purity that is always Lafite. I originally predicted that it would first reach maturity in 2011, but I would push that back by 5-7 years now, although it has 50-60 years of life in front of it. Owners of this beauty are probably best advised to forget it for 5 years. Tasted next to a 1996 several days after the 2000 tasting, the 1996, which is a perfect wine, was far closer to full maturity than the 2000. RPPurpose built ambient cellar. Est. 2,200 - 2,800
401	(1) 1988 Chateau Pichon Longueville Comtesse de Lalande, Pauillac (1) 1988 Chateau Pichon Longueville Comtesse de Lalande, Pauillac (TS) (CC) RP90One of the stars of the vintage, the 1988 has evolved beautifully. Dark ruby, with a full-intensity bouquet of black plums, herbs, and currants, a silky smooth texture, and full body, it is one of the most highly extracted wines of the vintage. Seductively precocious, it should drink superbly over the next 10-15 years. Anticipated maturity: Now-2008 (CC) (TS) RPPurpose built ambient cellar. Est. 240 - 300
402	(1) 1996 Chateau Latour, Pauillac (1) 1996 Chateau Latour, Pauillac JCL99Beautiful nose of violets, sweet cedar and cassis. The evolution is just starting to show now and it is at its optimal drinking window. Gorgeous array of flavors that keeps giving on the palate with a very long length. Simply gorgeous. Will keep for several more decades. JCLPurpose built, temperature-controlled cellar. Est. 1,000 - 1,300

404	(1) 1959 Chateau Lafite-Rothschild, Pauillac (1) 1959 Chateau Lafite-Rothschild, Pauillac (LMS) JR19/20Very rich and vibrant. Racy. Hint of meat extract. Very complete. Sweet and juicy. Rich, together and fresh. Long. Reverberates. Long. Transparent. Complete. Dynamic. Jancis RobinsonPurpose built ambient cellar Est. 2,500 - 3,500
405	(1) 1983 Le Pin, Pomerol (1) 1983 Le Pin, Pomerol (IN) (SOL) RP95This wine seems to have been better several years ago. It still is a great bottle of wine, but may just be beginning to slip in terms of intensity and complexity. Dark garnet with some orange/amber at the rim, its sweet ripe nose of Provencal herbs intermixed with licorice, tree bark, truffle, blackberry and cherry jam is followed by a medium-bodied, very lush, flavorful wine that is kinky, exotic, and just sumptuous. It needs to be drunk up, however.Purpose built ambient cellar Est. 4,500 - 5,000
406	(1) 2014 Chateau Clerc Milon, Pauillac (1) 2014 Chateau Clerc Milon, Pauillac RP92The 2014 Clerc Milon is more backward on the nose compared to the d'Armailhac: quite sumptuous in style with black fruit, dark plum, vanilla and a pungent violet scent. The palate is wonderful: a fabulous line of acidity, tensile and focused, mineral and intense with blackberry, citrus fruit, bilberry and cedar towards the elegant, yet intense finish. There is something almost Lafite-like about this Clerc-Milon and in my book, there is nothing wrong with that. RP Est. 130 - 160

408	(1) 1978 Chateau Cheval Blanc, St Emilion (1) 1978 Chateau Cheval Blanc, St Emilion (IN) JR19/20This bottle was also showing beautifully. It seemed so sweet and lush at first even if after a while the fruit started to fade a little. Wonderful jewel freshness. Reverberant on the palate. This really showed that in 1978 if the grapes were grown on a great terroir then there was enough stuffing, even if everyone had to wait so long for them to ripen. JRPurpose built ambient cellar.
